“ *Dear Uncle Robert, I am so sorry for your loss. I hope you and the boys can take some comfort in these words from Shakespeare as I did when my Dad passed away:*

*All that lives must die, passing from nature to eternity.*

“ *To Gloria's Family. As a member of Beaux Arts, I want to let you know how Gloria made me laugh. That is such a gift. When we all would be worried whether an event would be successful, Gloria helped us all put its importance into perspective.*

“ *Oh how you will be missed. As a student said, we regret that we didn't keep a "Glo Book of Quotes". What humor you provided for all of us. Thanks Glo.*

“ Bob and boys, Dick and I were shocked to hear of Gloria's death. Judy called me last night. Please know that we are lifting all of you up in our prayers at this time. Also know that we are remembering with tremendous joy all of the fun and crazy times we had in Atlanta.

“ Dearest Gloria,

*When I attended Thursday morning yoga classes, I always looked for you; you 'spot' was across the circle from me. I anticipated your dry but honest comments about the poses we worked on or the mindset we were trying to achieve during the session. You added humor, love and honesty to our classes. I will always remember you for that.*

*I hope to take with me a sense of love and humor about life that you exhibited.*

*Thank you and rest in eternal Love and Peace, dear Gloria*
