“ *My cousin Grace Anna has been in my life forever. Truly one of the nicest, kindest, beautiful woman I have ever known. A short memory, both Grace and i were having and baby at the same time. I told here I wanted to name my daughter if it was a girl Anna Marie, I still can see her face, she wanted the same name but never said a word. When our girls were born I had Anna Marie and she had Ann Marie. That is just who she was, kind and tender hearted. I will miss you in this world but I know we will meet again in heaven. “ *Grace was such a wonderful grandmother. She always enjoyed watching the grandchildren's sporting events - whether it was sunny and hot or cold and snowy! I remember her smiling and cheering them on. She was at school events and was so proud of her grandchildren's accomplishments. She gave my daughter the sweetest picture frame and picture after elementary school graduation. My daughter still displays it in her room and it will always be a special reminder of how thoughtful and kind she was to everyone.*

“ I met my beautiful wife Grace close to 60 years ago. We were married for 54 years. We were high school sweethearts. Our first meeting was in her parent's backyard pool. She thought I was going to splash her but I said no I'm going to kiss you and it was right then with that kiss that I knew we would be together and she was the one for me. We were together a long time and she was a lady full of love and grace. Her suffering has stopped and she is at peace. I know that but the pain of her being gone is unbearable. I love you so much Grace.

“ I didn't know Grace well but I was always impressed with her kindness and beauty. I also knew her from working at First Interstate Bank in the 90's. She certainly lived up to her name, as she did impress me with her graceful ways. My condolences to Walt, and the entire family. Be sorry that she's gone, but be so happy at she was here. May she rest in peace. I know she deserves it.

“ I will never forget this sweet and beautiful lady. I had the honor of taking care of her through hospice. She always agreed to keep Walt in line. 😊 Everytime I hear Elvis, I will think of her, and always when I hear "Goodbye sweetheart, well it's time to go" that was our goodbye song. Her and Walt will always have a special place in my heart. Love you Grace.

“ Remembering Grace.  
Grace knocked on my door in Las Vegas in 1993 to welcome me and show me around. Our husbands worked together at the bank. We hugged and we were off - years of fun laughing, cooking, decorating, shopping together at Chico's (we wouldn't dream of going without each other - we had to be sure we weren't buying the same clothes!). After we burned through Las Vegas, we moved to Portland! Fun in the houseboat and exploring points of interest. Trips to Mexico. Then, retirement and separation and illness. 💙💙  
💙 I will miss you forever. ❤️❤️❤️
