“ I remember how my Aunt Grace used to give me hugs and kisses when I was a little boy. Even though I protested, I'm sure I secretly enjoyed the attention! Since I grew up and currently live in Illinois, I didn't see Aunt Grace very often over the years but each visit was special. I also really appreciated how Aunt Grace would share almost daily phone calls with her older sister Doris (my Mom) -- especially after my Dad passed away. My Mom will surely miss those calls!

Auntie Grace was a very special woman. She was so open and loving. I have many fond memories of our time with her at family gatherings. I most recently saw her at my Mom's 90th birthday celebration. Her smile still lit up the room and it was wonderful to see the 3 sisters together again. Mom loved their daily phone calls - that leaves a sad void. Grace will be truly missed by all who loved her. Thoughts and prayers from our family in Oregon. Love to all.

“ It was with deep regret that I learned of Grace's home going to be with the Lord. My wife Elnora who passed away in 2010 and I spent many evenings in Ed and her home for bible studies and fellowship. They were a couple who took us in when we first attended Parma Hts Baptist Church and made us feel at home. May the Lord be with you as you celebrate her going to be with Ed and the Lord. May He give you comfort and peace. Richard Heckathorn

“ Your mom was a special lady. I loved tapping her shoulder and her knowing it was me. Her smile and love has meant so much to me. I remember her asking me "when will you start calling me Grace". I said "never, you will always be Mrs. Habegger to me." Our thoughts and prayers are with the family.
