“ Greg,

Your passing leaves a lot of holes in the lives of so many...family, friends, and former co-workers. But only because you added so much to those lives with your humor and zest and generosity and kindness. Count me among the lucky to have known you. Oh, if you can, read my putts for me from up there, and whisper in my ear: “It’s uphill, so you don’t have to worry about hitting it too hard.”

I’ll miss you, my brother.

“ Greg was the kindest person I have ever known. He made work interesting and you always knew when he was in the office. We always said he had no filter and we loved that about him. I was so blessed to have known him and will miss him dearly.

“ Dear Dorney family,

I am so very sorry for your loss. I knew him only for a short time as a GE partner to Grainger. I will cherish the conversations, kind insults and laughs that Greg and I shared. His beautiful wit and kindness will serve heaven well.

“ Greg was a great person who loved his family and friends. He invited me to be a part of the Pinehurst golf trip 11 or 12 years ago (even though all of us got thrown off the trip each year at least once!) which is something that I looked forward to each year. I have such great memories of each trip and his sense of humor or just crazy thoughts he would bring up. He always asked about my family and how they were doing, he was just like that, caring about others. He will be missed beyond any measure that I can say.

“ I am so sorry to hear that a dear friend and co-worker has fallen and is now at the table of angels. Greg was one who thought of others first and I will never forget a personal conversation we had when one of my family members was struggling with life and Greg reached out to me out of the blue to give me encouragement and was there to listen without judgment.

Greg will always be remembered for his kindness and wit. He will be missed!

“ Judy, I know there are no words that anyone will say to take your pain away. When Greg and I got together when you folks came down for a visit the conversation would eventually be led by Greg on how lucky that he was to have you for his wife & best friend.

My prayers our with you, your children and grand kids. The one comfort that I hung on to when my wife when home to Jesus was that she was no longer in any pain, that she did not need a wheelchair any more. Well Judy, Greg is no longer in any pain nor does he have any fears about anything. He is now perfect - absolutely perfect!!!!

“ I worked with Greg at Newark Electronics and Elgee Electric. When my father passed away in 1997 Greg brought my family over Cinnamon Cake which he made from scratch himself. He helped me through some tough days that were ahead of me. I don't think there was ever a better person than Greg. My birthday was 1 day after his and we would always celebrate them with lunch, I would buy his and he would buy mine. Even after we lost touch I knew I would get a call on my Birthday. God has another angel with him now. R.I.P. Greg, you were truly loved
