“ One of my favorite memories of Uncle Greg is, growing up, taking our dog, Cody, over to the house to play catch in the yard with their dog, Kacy. Kacy would bark like crazy just hearing the name "Cody," and I remember listening to Uncle Greg over the phone drive Kacy nuts on days we were heading over. It made us laugh. The dogs were so happy, I was so happy, and Uncle Greg was so happy. I don't think I have a single memory of Uncle Greg without a smile on his face. My heart goes out to Aunt Anne and the rest of the family. Uncle Greg, you will be greatly missed.

“ Greg I can't believe you are gone. I have such wonderful memories of you coming to stay at our house when we were all growing up. Bringing the Borden Dairy treats your Dad provided. You were always such a fun person and you were doing your "RADIO" voice even when we were little. I always knew you would grow up to be a bigger than life personality. I remember the first time I heard you on the radio. Wow! It had been too many years since we last saw each other. You were my cousin, my friend, and always you will be missed. Say Hi to all the relatives up there in Heaven.
Love you,

“ I was fortunate to work with Greg at WCOL/92X during the early 80's. He was a great friend as well as a wonderful co-worker. It was my first job after college and he patiently showed me the ropes. I will always be grateful to him for that. He was talented, friendly, and had a big heart for helping people.

Anne, my heart goes out to you and your family. My deepest condolences. My thoughts are with you all at this time. Greg will be greatly missed, but never forgotten.

“ I worked with Greg in my first 'real' job out of college...he believed in me, hired me and was one of the best employers anyone could ever ask for. He not only cared about me as a person, but took a vested interest in my growth and development at that stage in my career. He was a rare breed of person that always had kind words and an uplifting spirit. I will never forget him, he made quite an impact in my life! Rest in peace my beautiful friend, I will miss you. My condolences and prayers to his family and everyone mourning the loss of this wonderful man.

“ I had the honor of working with Greg at Sears. He was a part of our family here and there is an empty place in our hearts without him. He had the most positive view of any situation. On days that he could tell I was under heavy stress he would always lift me up with positive conversation. He always had a way to put a smile on my face. You will be missed my friend, but never forgotten.

“ I had the privilege of working with Greg on two separate occasions. The first was at WCOL AM/FM when I first arrived in Columbus. I later hired Greg at WRVF in Columbus as the station's promotions director. I would describe Greg as just a great, down-to-earth person - a big ole teddy bear. The last time I saw him was about 9 years ago at Sears and we chatted for a while about "the good old days" of radio. My thoughts and prayers are with his family and many, many friends.
