“ *Tuck was a good friend of my brother Charlie Schildknecht when they were in school together. He was often over at our house creating mischief with a group of friends. I remember him very fondly! So sorry to hear of his passing.*

“ Lynda and Ryan, you are both in our thoughts and prayers during this difficult time. Tuck was the first person who welcomed us to the neighborhood 15 years ago. He was always so kind and would always help whenever needed. He was the constant since day one and this loss is a great one and felt by so many. We are here with you in tears, silence, and smiles for all the memories.

“ *Condolences to Tuck family and friends. Tuck will be missed in many lives, I remember Tuck took me out on my first day FTO and he had this ability in helping me become better whom I am today. Our family was very close in early years and our last time (2 years ago) was when he came out in helping with the community golf outing for Big Brothers / Sisters. I will miss him, but remember him through out my life.*

It was great to work with Tuck for over 15 years at Worthington P.D. On the same shift for many of those years. It was always good to see and talk with him after his retirement. He will be missed by many. My condolences to the entire family.
