“ DEAR Sharen and Mary Sue~~It is 5:45pm on Feb. 1st and I just looked at the paper and learned the sad news regarding your father's passing. I am so very sorry for your loss. I am also sorry that I cannot make arrangements to be with you at this time of such sorrow. I know that our parents would want us to keep in touch, so let's keep in contact with one another. The Selleck Family has been so close to the Weilbacher Family for so long and the circle of love must continue forever! I always enjoyed saying hello to your Dad. He had a way of making you feel that he was especially glad that you called.I will miss him, as I miss your Mom in a special way. Please feel the warmth of my Love and Friendship, Regina

“ *Mary Sue, Sharon and family, My heart goes out to all of you. Guy (Mike) lived a life no one else could of, with his strength, wisdom, love, and will to keep going on, quite a fighter he was. You have beautiful memories of he and Mary, who created 2 wonderful girls that carried on their traits of love, and their children are doing the same. I am proud to say that I have met Guy and Mary, both were remarkable unforgettable people. I will keep all of you in my prayers. With lots of love and hugs, Teenah*
