“ *My sympathies and prayers are with your family at this most difficult time. Gwen's quiet strength, especially during these last years, is an inspiration to all. I have so many fond memories of time spent with my mom, Gwen and Gran having dinner at Abenaqui or meeting for Sunday Services at Bethany. She always amazed me with her sewing talents. It is hard to imagine visits to NH without her and Gran. Echoing my niece and sister's comments, she will be missed by all of her extended Menson Family.*

“Gwen captured our hearts the moment we met her. Her very presence said, "Welcome into my life." Though the time with this lovely lady was all too brief, our lives are fuller and our joy greater because we shared that moment. What a blessing....never to be forgotten.

“We were so sorry to hear about my precious Aunt Gwen. I have so many fond memories of her and the times we had together. May you find courage and peace in the time ahead. I am currently overseas and came across this message that I think is so appropriate for gwen.. "perhaps, they are not stars in the sky but rather openings where our loved ones shine down to let us know they are happy"....All our love, Keith and Cyndi Tidmore

“ I'm not even sure what to say. To Gran, Russell, Alan, Rachel and all of Gwen's family, I am so sorry. I know as people age we should understand that sometime they will leave us. But it is still so hard. I spent my life so very far away from Gwen. But it didn't matter. I loved her dearly and every time I did see her it was like I saw her every weekend. I wish I had. Aunt Gwen had one of the few voices and laughs that even though I haven't seen her in a long while, I can still hear it. God she was funny. I remember sneaking up to a guest room at Lloyd and Phlo's where Nannie was sleeping. Mom, Gwen and I ran up and got in bed with Nannie and Phlo took pictures. What a hoot. That is the last time I think I saw her. 1994. How can that be? I am so sad that my husband and children did not get to meet her. I am thankful that Dave and Gwen did get the chance to speak on the phone-I'm glad he knows her voice too. Gwen, I miss you, I love you and I am so blessed to have been part of your family. I find a little peace when I think of how you will keep Jesus in stitches! With love, Sheri

“ Dear Gran, Allan, Russell & families, What a bitter-sweet week this has been...sad because the world has lost our fabulous Gwen. She endeared herself to every single person who was lucky enough to meet her. Gwen made each of us feel like we were the most important person in her life. She was beautiful, inside & out and gracious in every thing she did. She had more class and charm than anyone else I have ever known. She was unique because, even though she spent years of her life in pain, she never complained. Instead, she took long walks on the beach and talked things over with Jesus. I will miss her sense of humor...there was never a dull moment when Gwen was around. She made life fun. That's the sweet part...now she is in heaven, spreading her witt and charm and playfulness. There will always be a hole in my heart until I see her again. God bless all of you. I hope you can all feel my arms lovingly wrapped around you. I know Sunday will be a wonderful celebration of Gwen's life. Much love, Sandra June

“ Gwen was a joy to anyone who knew her. I met her in Newcomers over 20 years ago and enjoyed many years of bridge with her---she was my fellow Texas buddy and we shared stories of our lives and families in Texas---not many in NH had ever heard of Chilicothe, TX! She was much more than a Texan: She was a star for everyone. Bill and I pray for all of the family and friends who share this loss of one great lady.

“ I am sending prayers and love from my mother, Betty Menson, to all of your family. Gwen was my mom's best friend and she loved her like the sister she never had. How sad she is that she is not healthy enough to travel to pay her respects and say a last goodbye. Please know her thoughts are with all of you and with Gran. From Betsy McKinstry, Betty's daughter: It was so wonderful to be around Gwen and my mom when they were together. They were like two school girls, sharing what was happening with their lives and enjoying even the simplest things like going to the movies or eating decadent desserts. We have lost a member of the Menson's extended family. Gwen will always be remembered with love. I will miss her as it feels like a part of my mom has left with her passing. I pray for all of you as you cope with her loss.

“ Gran, Russell and Alan... Even if she weren't my Aunt, I would still say that she was absolutely one of the finest human beings to have ever been on this earth. 86 years just isn't long enough... What a loss; not just for you and all of our family, but for the rest of the world. Having said that; I know that everyone in Heaven is glad to finally get her... I bet she has them all laughing hysterically already! Stay strong... You know she wouldn't have it any other way. With love, Mike Tidmore (Gina, Austin and Shelby)

“ Oh Gran, I am so sorry for your loss. Gwen was so special to me, meeting through the Newcomers group in NH Seacoast, starting me out in golf at Abenaqui in the late 70's. One classy lady will surely be missed by many who remember her graciousness and sincere efforts to encourage all to enjoy that sport as she did. Sincerely,
Judy

“ It is so true that everyone who met Gwen fell in love with her. I enjoyed all the wonderful times I got to spend with Gwen, who I viewed as a second grandmother. I will miss her very much, and I am praying for your comfort Gran. Love, Katie (Betty Menson's granddaughter)
