“ *My deepest sympathy goes out to the entire family. Brian was my high school pal; and I had the pleasure of knowing Keith. I saw how much love and respect his family had for him. I know he will be dearly missed. Chris Arthur- Orlando, Florida*

“ *dear ann and family, keith was an amazing and nice guy. many of the happiest memories of my teen years were of him, the ragged green studebaker, and pick-up basketball games. we are so sorry that he is gone.*

“ *Dear Mike, I just received word from my sister-in-law in Baltimore, OH, of your father's passing, and I wanted to send my prayers out to you at this sad time. Long ago, when you knew Stef, she always said what great people your parents were, how nicely they treated her. Thinking of you and your family as you learn that those we love never go away, but always and forever live within our hearts.*

“ Dear family, I am so sorry for your loss. Looking back at younger years, memories are sweet. I remember when, on occasion, our families would wind up at Uncle Howard and Aunt Velda's on the same Sunday afternoon. It usually involved some toe tapping organ music too. God Bless, Darlene

“ My Dear Sweet Ann, I have tried to call you a couple of times but my composure slips and I can't follow through. You took such wonderful care of Kieth and for so long, he was blessed to have you. On a brighter note, the best round of golf I ever played was with Keith with the Thursday Group at Brookside. He was encouraging and challenging. He is at peace and my hope is for you and yours to find it also. Love you Ann, Michele
