“ Jean was a member of North Community Lutheran Church for many, many years, until it closed in June of 2019. I sat in tons meetings with Jean and shared many enlightening conversation with her. My family and I called her "Hat Lady", because she always worn such beautiful hats that matched her outfits. There was no one else quite like Jean. She was one in a million. Your family is in my thoughts and prayers and wishing you comfort when you need. May God wrap his loving arms around you and give you peace.

Jean was unique and I enjoyed a friendship with her thru association at North Community Church until I moved to Florida. over a year ago. She was honest and forthright which I particularly liked about her. We had lunch on occasion at TJ's and I could tell she was a favorite of the staff there. I love this picture that you have posted for us all to see the 'impish' part of her personality. My sympathy to her family. I know she will be missed by many people. Emmy Camp
