“ *I posted on another one, but, I will always love you Halden. We
have shared a lot in the short year we have been together and I will
carry that forever. I will never let you go from my heart. I love and
miss you baby. Until we dance together again.*

“ Friend, I can't believe I'm writing this to you....you were one of my favorite people and I will really miss our daily texts and talks about random nothingness. Our shared love for documentaries and music. Who will send me YouTube links now? I still owe you a cake and you owe me Thai food for my birthday. What do I do? Amir and I will miss you immensely my friend. Rest now.
