“ *As we raised the flag yetdersay morning, to open the new Three Rivers Charter School here in Fort Bragg, the students, staff, parents and community supporters were all saddened as we lowered the flag to Half-mast, in honor of our fallen HERO, Jere. Jere was a constant advocate and champion for the youth in our community. Words can't express the sorrow and loss this community has endured because of this senseless act of violence. I sincerely extend my love and prayers to Jere's family, and to our greater community.*

“ Wanda, I'm so sad for you and Michael and Daniel. Hal was such a good guy. I've been thinking of the fun we four had in our crazy young days. There's so much to remember. Remember at the cottage when they had to hurry and hide their motorcycles and sit there innocently with you and I? That's how I will always think of Hal. Please keep in touch - I'd like to see you when you are up to it. Love you, Patty

“ I have re-typed this a dozen times, but it seems I'm without words to express how sorry I am to Hal's family for the loss of such a wonderful person. I know firsthand what a truly amazing friend, boss, and co-worker he was... I can only imagine he was an even better husband, father, brother, uncle, and cousin. I am so sorry.
