“ I married into this family almost 26 years ago. At the time my grandparents were gone and Harriet made me feel like I was one of her own grandchildren. I loved her very much. Dale and I will miss her terribly. We will miss all the card games and the laughter and all the stories she used to tell us about our family. We were truly blessed to have her in our lives. We love you Grandma Harriet and you will be missed. God is lucky to have such a beautiful woman in heaven.

“ Grandma was a huge influence on my life and will always be with me. I will miss talking to her about OSU Football and Basketball games and playing cards with her. She made me laugh and loved unconditionally. This week God took home a true angel. God Bless all who loved her and those who were touched by her grace. I will miss you Grandma.
