“ *We've know Harriett for about 70 years, she was a Really Fun & Nice Person. You did Not want to have a Joke about her because she would come back with something worse about you. I don't know when in Her Life she took Jesus as Lord and Savior but we know those that take Jesus as Savior will see her some day (It sure seems as though we might see Her Soon) As the Song says: "Soon & Very Soon, were going to see the King".*

God Bless!

“ *Harriett loved the game of golf! She fought her way back from health issues that would have beaten a lesser person. I loved playing golf with her and enjoyed her, sometimes irreverent. but wonderful sense of humor. A great friend and a great lady. She will be missed by her "Mill Creek Ladies League Family" and by her family that she so dearly loved.* ”

“ *Oh Harriett you will be missed! I met Harriett 4 years ago this month. She was in my first foursome in the Mill Creek Golf League. I had never played in a league, so I was very nervous not knowing anyone. Of course she was very welcoming and talked to me like she had known me for years. I know her and I would be great friends with the first remark she said to me. I was complaining and making excuses for how bad I was playing, she told me to be quite and just hit the damn ball! Thank you Harriett for keeping it real. Say Hi to my mom for me.* ”
