“ *Dear Dawn & Scott and children: My deepest sympathy on the loss of your father. I know what the loss of a parent feels like, as I lost both of mine (my father just 2-1/2 years ago). It leaves a void in your life, one that takes time to mend. You will have many memories that will keep him with you for years to come. Have faith in God to guide you through these times. Sincerely, your friend "Rosie"*

“ *Our thoughts and prayers are with you all. Harry was such a kind, gentle quiet man, and I know he loved spending time with his grandchildren. Now, he is with his beautiful wife and baby grandson Blake. He has joined them now and he will stand guard over those that he loved most. May God always be with you and guide you through this time of sorrow.*
