“ Its amazing how most recently, I had missed seeing Mr. Todd car stopped driving around. I sent a note to him and it was returned to find out this news of his passing. I first met him when I open up a savings account and then delivering his paper for over 3 years. As he shared, I was his favorite paper boy. He meant as much to me and I will miss him. I know he is in a heavenly place. I will keep him and his family in my prayers 🙏

I had the pleasure of working for Harry Todd in the earlier 70's. He was the Assistant Manager at Park Federal Savings and Loan. I had the utmost respect for this kind, honest, hardworking dedicated family man. His wife June was the Nurse at my Physician's-office. I regret that I just now learned of his passing.

I regret that I just learned of Harry's passing. I first met Harry & June in the early 70's when I worked with him at Park Federal Savings & Loan in Worthington. I had the upmost respect for this kind, honest, hard working family man. I remember he was very dedicated to taking care of his mother. June was the nurse at my physician's office. “ Harry was a true friend of the Owens family for many years. I first met him as "Mr. Park Federal" when I'd walk up there to deposit my lawn mowing money.

He always would take time to make sure we had some discussion on what was happening around town and that was pretty special for me as a pre-teen.

When Bets and I started buying houses and growing the business, Harry was always there again making sure us "kids" were doing the right thing when it came to personal decisions with long term impact. I know he and Dad were good friends and I truly believe he was one of the guys who was watching out for us in Dad's absence. God's speed, Harry. This Buds for you! Hugs to June and the rest of the Todd family.

“ Harry, a kind, thoughtful, and caring individual. He was a wonderful husband, father, and a grandfather. If you had the privilege of calling him a friend, you are blessed. I had the privilege of knowing him as my brother-in-law. He will be missed, but we will meet again.

“ What fond memories of Harry I have. We worked together at Priority Mortgage. I don't think he ever missed a day of work. He kept us all together by doing all the things it takes to keep a good ship going. Loved the stories he would tell at lunch. He lived a life well lived. He always contributed his longevity to Budweiser and cigarettes. Kudos to him.

To June and his lovely daughter and granddaughter, You brought a light to his life that will never be forgotten. He beamed ever time he talked of you. God Bless you all.

“ I met Harry 18 years ago at work and have to say that he greeted me first for most of those years each day I strolled into the office. He was kind, ornery and shared stories about Freedom Federal and the Lions Club and I really felt like he was Mr. Worthington. Harry was a prefect example of how to love your wife, do a hard days work and make others feel appreciated. I wish I could have a few Budweiser's with him ...

I first met Harry 27 years ago when I was new to the Mortgage Origination Business.

Harry was always kind and helpful and looked out for me.

Over the years I had many conversations with Harry. It was clear that Harry deeply loved his family and cared very much for his colleagues at Priority Mortgage.

On this past June 7th, I received a call from Harry.

Typical of Harry, He wished me and my family well and said "Goodbye for Now"

I am very grateful to have known Harry. I will miss him very much.

God Bless You Harry Todd!

All My Best to The Todd Family

“*Harry was supportive and kind from my very first day at Priority Mortgage 19 years ago. He was always happy and cracking jokes - he loved sharing about how his garden was doing and always asked how my family was doing. He always put everyone else before himself, and will be a legend in the mortgage industry! I'm blessed to have been able to know him and enjoy his company for so many years. A Budweiser is being cracked open in heaven today! You will be missed, HT! xoxoxo*

“ I am very sad to get the news of Harry's passing. He was a good man. I had the privilege of working for the same company with Harry over 20 years. He took care of all of us in the office and always knew when we needed him the most. He was the kind of man that would give you the shirt off of his back. He shared many stories with me over the years of his life growing up and his career in the mortgage business.

He will be greatly missed by many.

Sincerely,

Jennifer Davis
