“ Sorry for your lost. Bud was married to my sister. He got to come up to michigan and spend some time at our place. While they were here I made them some burgers an a salad. They ready like them. My sister told me one day sitting outside. Out of the blue he said. I sure would love one of those big burgers gatebatr made us they were so good. I told her tell him next time he comes up I well make him one. I'm sorry you left us to soon and I can't make it. If god had made a way to send one to heaven I sure would make one and send it to you. But I know that can't be done cause when your in heaven with him you will never need anything but him he has so much love and everything you need in heaven. Every time I make my burgers I well think of you. RiP Love gatebait and family

My thoughts and prayers are with Harvey's family. I will miss him coming into CVS. He always said "Hello" even if it meant waiting a few minutes for me to get off the phone.

“ *I got alot of memeories of my dad. From all the times going out fishing. The only person i know that can catch 2 fish on one pole to the infamous dough ball he always made the night before going out, from me finally catching a fish and him looking at me saying "its about time you caught one". Playing tiger woods golf on the xbox laughing at every bad shot he hit. Or just going over to the shop when i was a kid and just hung out over there while he worked. Those are just a few of many. Dad im going to miss you everyday. I love you.*

Loved your dad he would always come in to kroger and use western union. He would talk about his health and tell me how hes still standing on his own feet. He was always smiling and happy. Going to miss his smile. 😞 restinheaven.

“ Bud was an amazing grandfather. I hold close to me all the good memories we shared over the years. From fishing, taking me to school everyday, and taking me to my first day of work. He always told me to try to do better than I had the day before. Never mattered to him what I was into he just wanted to see me give it all I had. I will forever hold our memories close to my heart.

“ I have so many memory of my Dad. Some of the best is fishing. He's the only person I know who can catch 2 fish with 1 pole. One day we were fishing and he was catching fish like crazy. I didn't catch one. He was reeling in his line and hooked a fish on it's back lol. Really going to miss you like crazy Dad. I LOVE YOU VERY MUCH!!!
