“ Mrs. T's guidance to myself as a student and COSM instructor is priceless. I realize that I am blessed to have the opportunity to learn and work with such a fine woman who loved massage therapy as much as her husband, Tommy. I can only picture Mrs. T providing massage joy in Heaven. Heaven is definitely a happier place. God bless.

“ I was saddened to hear that Mrs. T had left us - in body but never in spirit, which lives on with each massage we give. Never has a day gone by that I have not thought of and thanked her for all the gifts that she gave us. She was and is very special. Class of 1988.

“ Mrs. T.'s dedication to massage therapy and its education was apparent. In 1996-'97 she still saw 2 clients each week in addition to teaching and overseeing the running of COSM. I remember her telling a couple of us one day how she and her husband worked together; how much she missed him. They sounded like true partners in massage and in life. That has influenced me in my marriage. Thank you Mrs. T. for giving a passionate gift to a remarkable career!

“ As a 1977-78 student of Peg Thompson's Massage Therapy School on E. Gay Street, I was fortunate enough to study the art of massage under her guidance. Looking back, she was in the forefront of advocating massage as a professional career. She is well-remembered and blessed.

“ I was deeply saddened to hear about the death of Mrs. Thompson, a wonderful woman with a kind, and loving soul. Mrs. T. gave so much to so many and was always eager to teach and help all who were fortunate to know her. My life is better for knowing her and I cherish each and every day we were able to spend time together. May God bless you and your family during this time and always, Eva Campbell

“ *Teacher, mentor, and friend. Mrs. T. (I believe I coined the name) was all of those to me. I entered our wonderful profession as naive as one could possibly be and through her dedicated efforts learned the possibilities of helping to heal with our hands and hearts. With her support I explored and developed and benefited. My deepest sympathies go to her children and their families. I regret that I am out of the country and unable to be at the service. With warmest regards and fondest memories, Earle Timberlake*
