“ *I am saddened to hear of your loss. Heidi was often at the lake as a little girl and her sweet personality lived on. I saw her last summer and was thankful to visit with her. She was fishing and enjoying the outdoors as always. We talked about our families and how quickly time goes by. She was a loving and devoted mother and daughter. My heart goes out to you all.

“ *I am sorry for the lost to her parents and families, Heidi was a wonderful person. I went to Beechcroft with her and was amazed how she would go from one sport to another to another and didn't take time off between them. We was friends in school, after graduation i never saw her but i will think about her or ask about her.. Heidi you will be missed by all.*

Such a beautiful tribute to Heidi. A woman lovingly devoted to her family and to all of those who were blessed to have shared a friendship with her. I miss our long talks, sharing our passion for photography, enjoying the outdoors and the adventures we had, your laughter and joy for life, and the quiet times when we prayed together. I will forever miss my dearest, loyal and trusted friend. There's a void in this world without the energy and endearing love Heidi so selflessly shared with others. I'll hold you close in my heart always.

“ *So sorry to hear about your loss Matt. I only met your mom once, at a parent-teacher conference for you at Davis of all places. She raised a fine young man as a son so I know she had to be a fantastic mother and person to do that. My families thoughts and prayers will be with you during this time.*

“ *I will miss Heidi terribly. She was so wise and kind and I learned much from her. She helped me to grow in my faith and she was a great role model as a stay-at-home mom who put her family first. Our prayers are with all of you as they have been these past few months. We love you all, The Smialeks*

“ *I was so very shocked and sorry to hear of Heidi's passing. I remember the day they moved into their house and was so happy they had a little girl to play with. Until then, there were only boys on the street. Heidi was a great Mother and wonderful person. I feel so bad for her parents now having lost two of three children. I can't imagine their pain and sorrow.*
