“ *Although my memories of Aunt Helen are few and far between, they are excellent memories. Growing up in Albuquerque, New Mexico we rarely got to see Aunt Helen and family. During the times I got to spend time with her, I was amazed how much alike she is to my mother, Lois! Anywho, I recall one of her most redeeming qualities is her warmth of soul and spirit. She made a young boy (me) feel special and valued. I still remember visiting Ohio in 1976 with my Mom and brother Joe. It was awesome. She had stairs in her house! The food, the warmth of family, and the adults talking, talking, and talking some more. Don't they ever get tired of talking?! I cried the whole way home on the plane. I wanted to live in Ohio. I doubt Aunt Helen and Aunt Betty realized how much joy they spread by sending birthday cards with a big number on it of which birthday I was celebrating. I would receive the card and race into my room and privately open it and read the kind words my wonderful Aunt wrote me. And to best of all, there was money included! From all of us in New Mexico, you all have been and will continue to be in our thoughts and prayers. Heaven is a better place now that Aunt Helen is there. John*

“ *Aunt Helen was such a warm, loving, generous, vibrant woman. From childhood through the few times when we got to be together over the years, I always enjoyed her beautiful smile and easy laugh--and loved her recipes. I looked forward to her Christmas card and chatty note. She was so proud of Pam and Donna and their husbands and kids and all their accomplishments and endeavors. We're praying for you all during this very hard time. Love, Theresa, Dave and Meagan*

“ Aunt Helen was a sweet, giving and kind lady whom I shall always remember for her hospitality, her delicious meals and deserts, her Ohio State football game attendance and fervor, her many volunteer activities, but most especially for her being the youngest of the wonderful Davis sisters. Although I only actually got to see my Aunt Helen probably less than a dozen times in my life-time, due to our living in New Mexico, I shall always visualize her with her little lap dog, and I'll always be able to hear her discussing all the elderly relatives and their different levels of need for care and visitation. I'll never know how she kept up with and took such excellent care of so many Ohio elderly and infirmed folks who really needed it. In passing from this earth, Aunt Helen has just joined her sister Bee and her mother Ada in heaven and I'm confident that they've already started a busy schedule of visiting and taking care of those who most need it. We were so blessed to have Helen in our lives and she will be sorely missed.
