“ *Gary and family, please accept my condolences in the passing of your Mom. John Snouffer keeps the Class of 70 posted when we lose a loved one, and I am sorry that your family is going through this pain at this time. From reading about your Mom's life, you know that her life is only continuing in a happier loftier place. My sympathies. Karen Will Karshner*

“ Not even sure where to start....I remember going to the house in Worthington as a child..playing in that HUGH yard. I remember the Christmas cookies she made...I can see her with her brother..my grand-dather..standing in the front yard..so many memories flooding my brain right now.. But the thing I remember most..was standing in the hall in front of that full length mirror...as she fitted me for my wedding dress...and then made it for me..I still have that dress and maybe someday one of my grand-daughters will wear it in her memory... I love you Aunt Helen..Rest In Peace with the LORD!
