PS

Such an inspirational woman, no words can express the impact she has on us all. Grandmother I love you and you have introduced the word of God on us in such a way that God himself looked at you and said, "well done my good and faithful servant" I will miss you and I'm sorry for all the pain I caused by my faults. As you always said, a broken vessel is a valuable treasure awaiting to be put together.

“ *Grandmother, just the mention of your name, puts a smile on my face. You young lady are a remarkable and beautiful woman you have run a race worthy of “Well done good and faithful servant”. I will never speak of you has in past tense for yet you are not dead but alive with our Heavenly Father. What a pleasure it is to have a Proverbs 31 Grandmother. I love you.*
