“ *To Helens family, I want to send my deepest sympathies in the passing of Helen. I was just at the Laurels on Monday and visited her in her new room. I told her that she had a window room now and that made her extra special. Her breakfast was in front of her and I said that if that was a fish sandwich she would be eating. It made her smile. She always made me smile. She cared about my Mom. Be at peace. Cindy Barth (Gladys Trullenders daughter)*
