“ *We are grateful for the colorful mix of moments shared with Helen and Bill. They filled an open space in our heart at just the right time, and made us feel that we did the same for them. It is no surprise that Helen's family are the welcoming people they are. Our thanks with love - Fred and Barbara Jensen (S/V VIATOR)*

“ *Helen and Bill were such wonderful neighbors. We didn't see Helen often, mostly on sunny days in the spring, but she loved our children, remembering birthdays and giving special treats for the holidays.*

*Helen will be missed, but thought of often.*
