“ *I lived next door to Helen and Pat on Northridge for a few years until the summer of 1978. They were such good people. I spent many evenings on their front porch. I still remember Helen's smile & laugh, & Pat's penchant for- was it fried parsnips? And, of course, their love of antiques. Pat taught me the technique of refinishing them. They took me to antique shows & auctions. I believe my love of antiques is solely their responsibility! I am sorry I lost touch with them over the years. I'm sure you must have fond memories of both of them, as I do, that will be forever in your hearts. Take care and God Bless. Marilyn Sweeney 623 Bridgewater Ct., Westerville 43081*
