“ Gloria: I am so very sorry to hear about Hank's death. He was a wonderful man, and helped me enormously with my book -- always happy to do so, always happy to verify information, always happy to put me in touch with someone else who could help. I will miss his emails, miss his jokes, miss talking to him. He will live forever in my heart. Kindest regards, Linda Packer

“ Dear Gloria and family, I considered Hank a close friend and always looked forward to and cherish the many personal phone calls we had shared together. He always had a word of encouragement for me and was always willing to go above and beyond to solve that piece of missing research I was seeking. I am eternally grateful for men like Hank who graced this earth with his presence and hopefully has been a lasting role model for the rest of us. Warm regards, Jerry

“ Dear Mrs. North and Family, I was deeply saddened to hear of your loss. My thoughts are with you. Hank and I developed a rich exchange of knowledge, experience and opinions on aviation history and the history of the Mighty Eighth. We also found many other interests in common, even private matters. Though we never met I felt he became a very close friend of mine and we could talk about anything. I think he was a true fighter and his achievements for the 452nd BG Association were exceptional. He seemed to be its main engine. Like all Americans who came over here giving their priceless efforts for the liberation of Europe he is to be kept in memoriam forever. Sincerely, Lennart Westergård, Maj/Ret, Åhus, Sweden.

“ Dear Mrs. North & Family, Please accept my sincere sympathy in the passing of Hank. You and your family are in my prayers. I was able to learn about my Father and his crew and the missions they flew in the 730th/729th BS only because of the assistance provided by Mr. North. I will miss my friend Hank. Sincerely, Howard W. Keller, Jr. Front Royal, VA
