“ So many wonderful memories of Uncle Hank. I just saw him when he came to DC for his Honor Flight. I told him how when I was little I hugged on his leg and thought he was my dad; he looked down at little me on his leg and said something sweet and I looked way up and freaked out. Lol. Seeing him in DC was my favorite memory. When Ian handed him the commemorative Korean War coin, he held the metal in his hands rolled his thumb over it and said, “I’ll treasure this...” that teared me up but it just made me see him in an all new light. I will treasure those moments forever. Sending love to Aunt Rosie, Tamara, Kris, Vicky and Duffy and all the grandkids. ❤️

“ I am so sorry to hear of Hank’s passing. He was such a kind, gentle soul. I really enjoyed volunteering at giraffe feeding when he was in charge. He really loved those giraffe! Sometimes he would challenge me to practice my really rusty Spanish with him or with guests. My heart aches for his family and for everyone who loved him. He touched so many of us.
