“ Oh, Chris, it saddens my heart to hear of your Dad's passing. Being a man of such stature, he was so light on his feet. He could dance like no other, and do you remember his hula hoop talent?

Being with Ann and Bob was like being with Family. So much laughter and caring. The neighborhood get-togethers were so much looked forward to. Our New Year's evening parties were so much fun. I yearn for those days. The homemade moonshine was not a wise thing to serve. Good thing we did not have to drive home, just cut through the back yard.

I am so very sorry we were unable to get together this past summer. I just know all of the Veto Circle neighbors who have passed on are up there welcoming him home. I just moved to Florida today and will not be able to be there for you and your family.

My love and condolences are with you and your family with much love.

You ole neighbor, Sally Combs
