“ *When I lived in Columbus I dealt with Weber Rd. Marathon almost exclusively for all my automotive needs since I'm in the delivery business and use my personal vehicles. Homer and staff were always very honest and courteous. Only stopped doing business with them because I moved to London in 2000. The world has lost a good honest man who carried on the tradition of the old-fashioned corner service station. Also learned a lot about proper vehicle maintenance via my high-school internship. I've owned a total of 19 vehicles during the last 30 years and currently own a 2006 Chrysler PT Cruiser (210,000 miles) and a 2003 Hyundai Santa Fe (157,000 miles).-David Heuser*
