“ *I just got back In town from vacation and see that Hope passed away. I worked with Hope at Worthington Schools for many years, and she was one of the most pleasant, kindest women I have ever worked with. I taught computer skills, and Hope always laughed as she learned, and I enjoyed being with her. In all our other communications from her school to admin office, she was always caring and pleasant and I do not recall any time when she complained. I'm sorry for your loss, and seeing her name again brought a smile to my face. She was a wonderful person.*
