“ *Howard was a gentle man and I am thankful to have assisted him with so many wonderful cruise vacations for his family. My heart is sad for his friends and family but happiness knowing that he and Mary are together once again. I am sending strength to his entire family to get through these next few weeks.*

“ *Howard was my uncle and although we did not spend a lot of time together we had a relationship that was one of love and understanding, I always looked up to Howard with respect and always thought of him as a an uncle that would do anything for me if I were to ask. I will certainly miss him. Love Bob And to all his Family may God be with you and give you comfort!*

“ *Howard was one of my many uncles. He knew how to make you laugh and enjoyed the ability to do so. He was also a very deep thinker, when you get to know him. We have had many long deep conversations over the years. When he got a job at RMH, he was thrilled because he loved people. I will greatly miss my Uncle Howard. Many heartfelt thoughts and prayers to his family. love always, Teresa (Hill) and Kevin Kelly*
