“ I am so sorry for your loss. Resurrection Cemetery is a beautiful resting place and I frequently go there to visit my lost friends and family. I remember when Kyle Colello and Lindsey rice met a similar fate (two teenagers from Dublin in 2009) and when I stop by the cemetery I stop by their graves too along with my daughters best friend (she went to Olentangy). I will do the same for Hunter and Gavin. My son is 17 and goes to Olentangy and I re-enforced with him again today about distracted driving. There is never any "closure", just a different normal. Wishing you peace.
