“ *I met Mrs. Botkin in the fall of 1976. Michelle and I attended school together and every day she would drop her off and pick her up. I always thought what a loving mother she had to take the time out of each day to do that. Occasionally I would say “Hello” and she always had a warm and kind greeting in return. I know her present absence is painful and hurts, but you will all be together again someday...and I’m sure heaven is a little richer with her there.*

God bless you all.

“*Connie was my favorite Aunt! I especially remember her cutting my hair when I was young. She was so sad when I had her cut it off in Junior High. She was one of the sweetest, gentlest people in the whole world,*

“*I first met Connie in 1991 when we were looking to buy the house next door. She came out to greet us and said” I hope you will be our neighbors!”. 30 years later she still was her loving self and greeted us with a smile every time she saw us. Love ya girl!*
