“ *I will miss my friend Ilona. When I first met Ilona in summer of 2008, I was so impressed with how young she looked and acted. She would have been 77, but seemed 65. I would pick her up, and she would saunter out in her linen pants, snazzy sandals, with her snappy purse. And off we would go to a Drexel movie. I have many good memories of time spent with Ilona. I will miss her.*
