“ *Even though I have not seen Carolyn in many years, I still feel that I have truly known her all my life. She and my mother Louise were childhood friends who nurtured that friendship throughout their adult lives. I have such fond memories of Carolyn's caring, fun-loving personality, as well as fun times with Don and the three girls in Lima.*

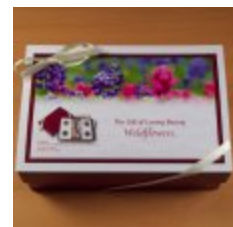

May she rest In peace, and I extend my sincere sympathy to the family.

“ I had the honor of meeting and knowing Mrs. Eddie, through her daughter, my dear friend and neighbor. Trisha Deaton. Our friendship was 99% through phone calls and cards
I was always impressed by her intelligence ,faith, kindness, concern for other friends and residents, and love for Trish, plus including Carrie and grandsons.
She always told me how much she appreciated Trish's visits and the time they spent together. Her loving concern and care was obvious in her words and tone.
She would talk to me about her years in Public Health nursing . She had so many fond memories of those experiences of the job she loved.
Mrs. Eddie has achieved something only a special group of people have done that is fully living a long, faithful loving exceptional life
"Well done my faithful servant"
