“ *The world lost a great person last night and I lost a cherished Uncle and friend. I am very thankful that I got to speak to Uncle Ira on the phone not long ago and for the uncountable conversations that we had over the years that were not only inspiring and often educational but also expressions of his heart felt concern towards me and the advise that he provided me on more than one occassion that certainly assisted me to understand various subject matters but above all else for me to be and become a better person.*

My thoughts and prayers go out to Ed & Martha.
