“ My heart and prayers go out to Greg's family. I am in shock and so sad. Greg was a great person. He was always so polite and fun to chat with in high school. He will be truly missed. RIP Greg

“ I am deeply saddened that Greg is no longer with us and extend my sympathies and prayers to his family, especially for strength in this difficult time. I got to know Greg from my ties to youth lacrosse and as an official. He was a people person and commonly my first go to guy when I had a lacrosse related need. He was the first I asked to help with field duties for our MLL team, the Ohio Machine, and I can't recall him missing a game. We took our role seriously but had a lot of fun. For me, I'm sure working the first Machine game this season will be a time where I really feel the loss. That can never compare to the loss family and others who were close to Greg are feeling, and I trust they know the Central Ohio Lacrosse community is very strong when it comes to support at difficult times.

“ Dear Colleen, Kelley, Thomas and Timmy,

I am a retired NiSource employee who worked closely with your Dad for several years and just heard about your loss. He was a wonderful man who loved you all so very much. He made many contributions while he was on this good earth and his presence made us all better people. He was loved at work and his skills were much appreciated.

You all have my deepest sympathy and I will pray that God helps you through this very difficult period.

*With my sincere sympathy,
Nancy Wells*
