“ *Bill and family, So Sorry to hear of the passing of your father but he lived a very long and fruitful life. It has been a very long time so we have seen each other but I remember your parents very well. They were very nice people and always active. We should try to contact each other and meet again after all of these years. I see you live in Westerville and I live close to there now myself. Again, my wife and I extend our deepest condolences and hope you remember all of the happy memories of your father. Sincerely, Scott Waite*

“ Mr. Kutschbach lived a good life, loved his family, and provided a beautiful example for career and public service which his children and grandchildren have followed. His absence leaves an emptiness which time and God's mercy will heal, but I know he is sorely missed. Prayers for all.
