Craig,

I am saddened by this news and send my condolences. I believe we spoke of your Dad the last time you cut my hair. While I didn't know him well, I feel like I did! He was that kind of guy, warm, smiling, welcoming, humble and consistent. Your a chip off of that block and you can be proud. My prayers go out to you and your family.

After Dad's death we always stopped in to see Jack and Craig during our visits to Dublin. We are grieved to learn of Jack's passing and would very much like to contact Jack's son, Craig. Please share Craig's personal contact information with me: waltermyers@live.com/316-519-9067.

“ My condolences to the Jack Price family and all those he touched. Uncle Jack was truly one of a KIND, and I emphasize the word kind. Always with a great big smile and a mischievous twinkle in his eye. My early childhood memories with Uncle Jack include the Dublin frog jumping contest, sled riding on the hill by the Scioto river and ice skating on Uncle Dave & Aunt Ginger's pond. He was a great Big brother to my Mom as they loved to dance together at all family gatherings that included music. His love and devotion to family was always evident and his ability to make people smile was a gift that he gave to all.
