“ *As a planning csnimsoiomer and member of the biomass power plant subcommittee, I worked with Jere and I found him to be a gentleman and a community builder with a wide circle of friends and associates, a valuable voice of reason with a mildly self effacing sense of humor, who will be missed greatly. He often brought keen insights to a discussion, was a great meeting facilitator, and always added appropriate humor to any discussion. I'll definitely miss the man and his influence, R.I.P. Jere. To his family and friends I extend my Heartfelt condolences and hope that time, along with the love and support of your friends and the rest of our wonderful community will help to fill some of the void left by Jere's untimely passing.*

“ I just learned of Burch's passing and wanted to send my condolences to his family. "Burch" or "Snook" as we used to call him was a great athlete. I recall playing Little League and Pony League baseball against each other when our Dads coached coached separate teams. I pitched against his team and he pitched against ours--always a great rivalry. I was fortunate to be "Snook's" football, basketball and baseball teammate for several years in high school. Nobody hustled more than "Burch" in practice or on the playing field or basketball court. He always gave it 110% and he was a true leader of our Grandview High School sports teams. He was always fun to be around; always joking with the guys and rev'ing us up for important games. His spirit will always be with us. Dave Neff

“ Just wanted everyone to know how much Burch meant to my life growing up in Grandview. We were friends and teammates for 2 years, he was in my brother Chuck's class of "69". He was a great role model for athletes on the field and was one of Grandview's finest players! We played alleyball together where we had a blast for many years and carried on a friendship past high school, before we both went our different ways. Most of all, I remember him coming to visit regularly when I was injured my senior year. My brother Chuck, Burch and Bill Masselli and I would play euchre and laugh until all hours of the morning. He would transport me up and down 1st Ave from time to time and get some late night snacks when he was well known at the Village Pancake House! From all his alleyball playing friends behind Billy Wentzel's garage we send Burch off with a big REEEEEEEEEEEEEED!!!!!!!!!! (he loved Willis Reed, center for the Knicks back in the day and when Burch would score a basket he would bellow REEEEEEEEEEEEEED!!!) We loved it! Even though I did not see him later in life, he will be greatly missed! His friend in life!

“ Jack was one of Grandview's most underrated athletes. He was a dominate player from Little League thru high school. He was great to play with and it was an honor to be his teammate in basketball and baseball. I am very sad to hear about his passing. Jack was fun to be around. I have nothing but fond memories of Jack and my condolences go out to the entire Burchfield family.
