

Jack Elton Snyder

October 28, 2003 - March 11, 2021

Jack Elton Snyder, age 17 years old went home to be with Jesus on Thursday, March 11, 2021. The most perfect way to describe Jack is pure joy and happiness. Anyone who ever had a conversation with Jack became fully aware that he was a true conversationalist. Jack's infectious smile and contagious personality lit up any room he walked into because he was a relationship builder. Connecting with others, with his kind eyes and positive attitude was his strongest character trait. Jack loved and cared deeply, he showed Jesus to others by his actions. Jack was intentional and purposeful with his time, and he had deep passion to live life fully. He strived each day to wake up a better person than the day before. Jack was born on October 28, 2003. He survived by his loving parents, Sean and Jacci Snyder; sister and brother-in-law, Kirstin and Ian Bieber; brother, Chase Snyder; cousins, Collin and Carly Maple, Max and Marly Simmons. Jack was a member of Grace Powell Church. Jack will be deeply missed, but we would be wise to keep a little piece of Jack living in each of us because his smile is something that will impact each and every one of us to live our lives to the fullest. Jack's simple yet pure heart radiated a life that will be sealed and engraved on our hearts for eternity. We love you always and forever, until we meet again, Jack Elton Snyder. A Celebration of Life Service will be held on Thursday, March 18, 2021 at 4:00 PM the GRACE POWELL CHURCH 7600 Liberty Road N. Powell, Ohio 43065. “ *I never had the pleasure of meeting Jack. I saw his obituary a few days ago and immediately asked my son Maxwell if he knew anything about what happened. He responded with information I wasn't thinking of.*
God bless you Jack. I pray that you are standing by him.
I hope to meet you someday and play a round of golf. Prayers to everyone you touched.

“ Jacci, my name is Linda Hassey and I am a friend of Dona Snd Mary Wiseman. I am praying for you and want to share this with you. I heard a sermon that has helped me. It was a beautiful illustration of our lives. As you stand on a vast beach. your life is represented by but one grain of sand on that beach and eternity is all the rest. That is what you will share with Jack.and Jesus. Please hold on to that.

“ My earliest memory of Jack is watching him walk into my Sunday school class when he was 6 years old. His blond curls captured my attention immediately as he strutted into the room. Not afraid, not nervous, just ready to take charge and learn about Jesus. Now he is rejoicing with Jesus every second. Dona Wiseman

“ My heartfelt condolences to the Snyder family. Jack was a student in my cotillion class a few years ago and I was fortunate to get to know him even in such a short time. Jack was a real gentleman - his parents taught him well. Jack was kind, considerate and polite to everyone around him and his smile was like a beacon that drew anyone nearby to want to be around him. I am fortunate to have known Jack, even briefly, and will never forget him.

“ Jack was one of my favorite kids to see around the neighborhood. When he was younger, I marveled at that head of long curly blond hair. It was better than Viking hair. I loved seeing him out shooting baskets every day for hours on end. What amazing determination! To me, he was a great rambunctious kid, which I appreciated. I always loved how Sean called him by his full name, Jack Snyder. I saw him as non-stop motion and a beautiful young soul. I will remember him always.

“ I had the privilege of being introduced to Jack over a year ago. He would come to our home with his friends and I can tell you that every time he walked into our door he just immediately put me in a great mood. Such a handsome young man, the greatest personality and an infectious smile. I can only think of him and smile myself. My condolences to all of those that knew him, especially his family and closest friends. May you all always carry a little of Jack with you. ❤️

“ *Jack is one of those kids that when you see him, you stop in your tracks. Not just because he is gorgeous to look at, but you instantly sense this positive vibe that just radiates from him & it becomes contagious, turning YOU into a positive person. He really is a very special kid & to lose that is just heartbreaking. He made my son's life better & he truly is an example to us adults as well. You are sadly missed, Jack Snyder, but we will see you again one day. ❤️*
