“ *I worked with Jack when he was a Council member for the Village of Dublin back in the 1970's. He was easy to work with and funny also. Once when he had Mayor's Court, a guy paid his ticket in pennies - I had to count \$250.00 of pennies and roll them. I thought I'd never get done. We laughed about it for years. I was sorry to hear of his passing. I hope good memories will help you through this time. Tom Pressley and family*

“*Connie, My sincere condolences to you and your family on the loss of your husband Jack. You and I were friends 30+ years ago. I can still remember the stories you shared of the amazing man who would be your soulmate and husband. You lit up as you spoke of him. I am sure he treasured you as much as you did him. Having been widowed twice, I know that the weeks and months ahead will be difficult. Focus on the wonderful moments you two shared, his vibrant spirit, and the impact he had on your life and of so many others. You are in my thoughts and prayers. Mia Steinhelfer, Springboro, OH*

“ *Jack and I were best of friends all during our years in school together. Spent many of weekends at the cabin up along the Scioto Riven just below the dam. We and a few others did some things, like putting an animal in a teachers drawer and then spending the rest of that period building a coffin and then parading around the school building before burying it in the school grounds. Them were the days. ----- Wm (Bill) Jones*
