“ *Jack M. Fugate Dr.*

January 28, 2023 at 10:24 AM

“ *Jack and I worked together for nearly 40 years. He trusted me to care for his challenging patients. He always had the highest ethical standards, so he had my complete respect. I don't think one could find a more professional practitioner in this world. He will be missed but not forgotten.*

Frederick Kapetansky,MD - April 09, 2008 at 12:00 AM
