*A whole swell of emotions has run over me in a very short time. I can only imagine how his family is today. I knew Jack at a very young age and we grew up in a really great atmosphere in our little court. We were lucky to have a great nucleus of kids our age to hang out with. Fond memories of him I will always cherish.*

*Our families will be forever linked to Kingsrowe Court. Jack and I were the same age and all of us grew up together in that little community surrounded by freeway.... We had forts in the woods as kids... Hung out at the wall or the circle as teens .... Followed Tommys band around... Hung out at pool..so so many memories Jack had a great smile was a huge flirt and for some reason I remember liked jelly toast. My sympathies to his family ... Rest in peace Jack.*
