“ Connie, Jason & Family My thoughts and Prayers are with you, I only met Jack 1 time in my 13 years here at Southern Motion, but I had talked to him a lots. He was a very kind person, and I was sorta afraid of him, untill I met him and Connie earlier this year here at Southern Motion, after meeting him I knew that he was a giant of a man with a heart as big as he was. May God Bless your family in the coming days, with precious memories of him. Your Southern Motion Friend Jackie Caldwell

“ Connie, Jason and Family..... I want you to know how awful I feel about Jack's death and to let you know you all are in Gayle and my thoughts and prayers. What a terrible loss for all of us. Jack and I go way back to the Klaussner days....we could make each other laugh so hard...sometimes without saying a word to each other. They were good...carefree days and I will remember them fondly. Know that going forward...if there is anything I can do to help you, let me know. I will miss Jack....and I will miss the laughter. Harry Bassett

“ Connie, Jason and Family I know this is a very difficult time for all of you right now but I wanted you all to know that in the past 2 years that I have had Jack as a Sales Rep. that he was always so respectful and very funny. I will admit that he intimidated me at first with his strong firm tone but the more I got to know him I found out that he was just a GAIN T teddy bear. He LOVED you all so MUCH and spoke of each of you often to me with such PRIDE. He will be greatly missed and I feel very privileged to have worked with him. May GOD keep you all by his side during the days to follow and know that you all were so BLESSED to have Jack in your lives. My sympathies and prayers are with you. Tonya

“*Connie, Jason & Kendra, John & Kelly, my heart is weighing heavy by your loss of such a wonderful guy..i have a lump in my throat as i send this to you. jack was like a brother to me, we had an immediate connection the first time i met him on the golf course at marion. i remember when he had his hole in one and we all went out (jeff Riley, etc) to celebrate and he mentioned he should go buy a lottery ticket that day since God was smiling on him. I won't even try to understand what you all are going thru..having lost a son i know that it hurts beyond measure and you think these things happen to other people and it all seems like a bad dream. I want you to know that what ever is necessary to assist, i will be at your beckon call. i care for your family more than i can express.. we all are poorer for Jack's absence..your friend forever Jim*
