“ One of the best memories of my brother is how kind & patient he was. I was a bratty little kid, he was always so loving & understanding. He will forever be missed. Love, Susie

“ Ellen we worked together at the Dispatch downtown in the early '80s. I am so sorry for your loss. I miss running into you at Weiland's. I hope you are well. Thinking of you.

“ We were just talking about "Big Jim". You lived across the alley from us the whole time we were little. Steve and Jimmy were always into something. I will always remember him with that big chew in his jaw. Steve and I have fond memories of both Ellen and Jim. Our deepest sympathies to Jimmy, Krissy and Ellen.
