“ *Gosh....I had forgotten the "Jungle Jim" nickname....thanks to Bob and Bill for that memory. I remember Jim as "James Arthur Brewer, Astronomer Junior" from our Elementary School days!*

Rest in peace, Jim....and my condolences to his family.

“ Dear family of Jim Brewer,

I am very sad, but have a great hope that your father is in Heaven rejoicing right now. He and I had very good fellowship over the past 10 years. My wife and children also know him. His generosity helped with much good work through India Christian Assembly to outreach in India for Jesus Christ. Please know that I love you and we will be praying for you and your family.

I would like to receive information about the memorial service so I might be able to attend. If possible please contact me either by phone 614-929-1722 or email icapastorjoy@hotmail.com.

*With much love,
