“ *Alice, Laura and Becky:*

*Jackie and I extend our sincere condolences on the passing of Jim. It is our belief that it is the memories that remain in our hearts that makes that person live in our minds. I recall the numerous conversations with Jim, both intellectual and philosophical, and enjoyed his insight. The time we spent at the skeet range was most memorable. His instruction and patience were most meaningful as I could always hit a fixed target but had difficulty with a moving target. In the short time we had I learned much. Jim will be remembered well and long.*

*Jackie and I are here to provide our support to each of you. Our prayers are always with you.*

“ *Dear Alice: I read about Jim's passing and wanted you to know I am thinking of you and the girls. Sounds like the last twenty years of his life weren't the best and I am sure you were the angelic nurse you have always been. It's very difficult to watch someone suffer as I know. But my wonderful marriage and happy, beautiful memories have given me the strength to move on. Plus I inherited three daughters (two remain), six grandchildren, and six great grandchildren so I am blessed. I hope you are doing well! Sincerely, Pat (Mills) Salyer*
