“ *Dear Marilyn and family,
Jim was a truly wonderful and kind man. I got to know both Jim and Marilyn at the Mentor Medical Campus in Mentor Ohio where I was the laboratory supervisor for 15 years.
I would see both of them regularly when they came to get blood work or other tests and Jim and I became fast friends. I left the facility abruptly when I was laid off following a rotator cuff surgery. I managed to call Jim last year before he moved to tell him why I left and that I would always think of he and Marilyn. I was so sad to hear of his passing and want to send my deepest sympathies to Marilyn and family.
I will never forget Jim because he was a great guy and a good friend. Bless you Marilyn. Peace be with you. Linda Christian*
