“ March 24, 2001 To the Collins family In memory of James Edward Collins Jim told me that he loved the Lord since he was a little boy at 4 years old Early in our dating when he drove the dodge colt car he said and I quote “I want to put my treasure in heaven”. This was his hearts desire. The Christian Worker Although your work isn’t seen by all Nor recognized with special name call; Our Lord knows and sees each deed. He sees each detail and planted seed. We thank our Lord for you so much; The ways you serve, your special touch. We see Christ’s love in what you do; For how you serve we say, “Thank you” ! “Well done, thou good and faithful servant...” Matthew 25:21 Jim told me he was a carpenter like Jesus was and his career path in the construction field was complete for he was a Director of Construction for Midwest Roofing. A fellow employee that he worked with, Roger Bakies, shared with me “Jim had likability personality.” Jim said to me with a smile he wanted to smell the roses as you go. He enjoyed traveling to foreign countries, especially his 3 visits to Australia to visit his brother John and their family. I have known him since August 02, 2001. He was my neighbor, my friend, my boyfriend, we had a deep spiritual relationship, my brother in Christ, and one of his closest friends. He taught me many things and one of them was to be grateful for the things you have. He will be dearly missed. With love, Carol Reed
